CONSTRUCTION EQUIPMENT OPERATORS JOINDER AGREEMENT

THIS JOINDER AGREEMENT made and entered into by and between Grant County Public Works hereafter referred to as "Company" and the INLAND NORTHWEST CHAPTER ASSOCIATED GENERAL CONTRACTORS HEAVY EQUIPMENT APPRENTICESHIP COMMITTEE AND TRAINING TRUST FUND, hereafter referred to as "Committee" and "Trust", respectively,

WITNESSETH:

In consideration of the covenants of Employer herein, the Committee hereby agrees pursuant to their authority under Article I of the Trust that the undersigned Company shall be an Employer under the Trust effective as of July 21, 2023.

1. Employer hereby agrees to be such under the terms of the Trust and hereby acknowledges receipt of a copy of the Trust and the Plan. Employer hereby agrees to act under and be subject to all terms and conditions of the Trust and the Plan together with any subsequent amendments to either such document.

2. Employer hereby agrees to make contributions to the Trust Fund at the times and at the contribution rates and pursuant to the terms that are set forth on Exhibit A attached hereto and incorporated by reference herein, pursuant to the terms and conditions of the Trust.

3. Except as provided in Exhibit A, this Joinder Agreement can be canceled prospectively by Employer or the Committee for any reason by written notice to the other.

IN WITNESS WHEREOF the parties hereto have executed this agreement as of the below dates.

EXHIBIT A: CONTRIBUTION AGREEMENT

A "Company" becomes a "Training Agent" of the INLAND NORTHWEST CHAPTER ASSOCIATED GENERAL CONTRACTORS HEAVY EQUIPMENT OPERATORS APPRENTICESHIP COMMITTEE when approved as such by the Committee. Training agents may participate in the training services administered by the Associated General Contractors Open Shop Apprenticeship and Journeyman Training Trust Fund by being signatory to this agreement and contributing annually to the Trust as described below.

The Trust was established in 1996 as a non-vesting welfare and benefit trust fund for the primary purpose of funding open shop craft apprenticeship programs. Funds over and above those directed to apprenticeship are made available for journey-level upgrade training in accordance with policies adopted by the Trustees for the distribution of such funds if they exist. The Fund is provided for the "exclusive benefit participants" and is intended to meet all applicable requirements (if any) of Section 501 (a) of the Internal Revenue Code and the Employee Retirement Security Act of 1974 ("ERISA"), as amended.

A. CONTRIBUTION AGREEMENT:

The employer/training agent agrees to pay an annual fee based upon the maximum number of journeyman operators employed at any one time during the year, excluding supervisory personnel, according to the following schedule:

Level 1	1-5 journeyman	\$3,500/yr.
Level 2	6-10 journeyman	\$7,000/yr.
Level 3	11-25 journeyman	\$11,000/yr.
Level 4	26-50 journeyman	\$18,000/yr.
Level 5	51-75 journeyman	\$24,000/yr.
Level 6	76-100 journeyman	\$30,000/yr.

1. The agreement applies to all work, both public and private, performed by members of the Inland Northwest Associated General Contractors. Fees are due and payable by the first of the year/no later than the end of the first quarter unless other payment arrangements are made.
2. Either party may cancel this agreement upon written notice to the other and such cancellation shall be effective 30 days after receipt of said notice. In the event of a cancellation by one of the parties, hereto, the obligation for payments under this agreement shall continue through the effective date of cancellation.

3. This exhibit is a part of the Joinder Agreement currently in force between the parties and supersedes any previously signed Joinder Agreement.
4. Training agents whose Joinder Agreement has been cancelled by the Trust for non-payment are not eligible to enter into a new Joinder Agreement with the Trust for six (6) months after the effective cancellation date of the old Joinder Agreement.

B. CONTRIBUTION POLICIES

1. **CONTRIBUTION REPORTING FORMS:** The Trustees shall create and make available, at the expense of the Trust Fund, contribution reporting forms for the use of participating employers in making their contributions.
2. **CONTRIBUTION DUE DATE:** All contributions shall be due by January 1st and no later than the end of the first quarter of the year unless other arrangements have been made.
3. **DELINQUENT CONTRIBUTIONS:** A participating employer shall be considered to be delinquent in the payment of contributions if he fails to submit a contribution reporting form, and the contributions detailed therein, by the close of the business day on the due date.

The Trustees shall undertake reasonable efforts, at the expense of the Trust Fund, to collect know delinquent contributions and related claims.

4. **LIQUIDATED DAMAGES AND INTEREST:** It is recognized and acknowledged by all parties, including the participating employers, that the prompt and accurate reporting of eligibility and payment of contributions is essential to the maintenance of an employee benefit trust fund and the benefit plans and that it would be extremely difficult, if not impossible, to fix actual expense and damage to the Trust Fund that would result from the failure of a participating employer to submit necessary reports or to pay the required contributions within the time provided. Therefore, if any participating employer shall be delinquent in the payment of contributions, such employer shall be liable, in addition, for liquidated damages of ten percent (10%) of the amount of the contributions which are owed or fifty dollars (\$50.00), whichever is greater, providing payment of all amounts owing the Trust as the result of the delinquency will be assessed. Additionally, if an employer is found not to be delinquent, but has failed to timely file the contribution reporting form required by the Trustees, such employer shall be liable for liquidated damages of one hundred dollars (\$100.00).

The delinquent contribution shall bear interest at the rate of twelve percent (12%) per annum from the date due until paid. The Trustees shall have the authority, however, to waive all or part of the liquidated damages or interest for good cause shown.

5. **ATTORNEY FEES AND COURT COSTS:** Further, in the event the Trustees place the account in the hands of legal counsel for collection, the delinquent employer shall be liable for reasonable attorney fees (with a minimum of \$100.00), and for all reasonable

costs incurred in the collection process, including court fees, audit fees, etc.. The Trustees shall have the authority, however, to waive all or part of the attorney fees or collection costs for good cause shown.

6. VENUE OF COLLECTION ACTIONS: In the event a collection suit is initiated, venue of such suit may be laid in a court of competent jurisdiction (federal or state) in the county, district, or borough in which the Trust Fund has an office, at the option of the Trustees.

7. PROTECTION OF EMPLOYEES IN CASES OF DELINQUENCY: To protect participating employees and beneficiaries in situations where participating employees may be denied eligibility credits or benefits because their employer is delinquent in the payment of contributions, the Trustees shall have the authority to extend eligibility credits to such employees or to direct the payment of benefits to them, or to their beneficiaries, in whole or in part, as they may determine. The extension of eligibility credits or the payments of benefits shall not, however, release the delinquent employer from the responsibility for payment of the contributions owed.

Updated 11/01/2021

**Training Agent Agreement and Understanding of Equal Employment
Opportunity (EEO) Requirements of the Apprenticeship Committee
Alternate Selection Process**

The following training agent subscribes and agrees to comply with the requirements in the apprenticeship program standards registered as **Inland Northwest Associated General Contractors Heavy Equipment Operators Apprenticeship #560** with the Washington State Apprenticeship and Training Council (WSATC), hereby agrees, in consideration of their participation in the registered program:

1. To comply with the Equal Employment Opportunity (EEO) requirements of the WSATC; the U.S. Department of Labor's Equal Opportunity regulation 29 CFR Part 30; and the pledge, EEO plan and selection method filed by the name Apprenticeship Committee and approved by the WSATC and the Office of Apprenticeship, Training, Employer and Labor Services (OATELS), as being in conformity with the requirements of the EEO Plan of the WSATC, WAC 296-05, RCW 49.04, and 29 CFR Part 30; and
2. To have their name removed as a training agent from the above named program after a WSATC and/or OATELS finding of failure to adhere to the above EEO requirements, and
3. Notification of removal of as a training agent from participation in the above named apprenticeship program to be furnished to the Apprenticeship Section, Department of Labor and Industries, by the Apprenticeship Committee.

DUES INFORMATION

The Inland Northwest AGC has 5 basic membership categories. Please review the descriptions below to determine which category best describes your company. Membership dues are billed on the calendar year and all new member dues will be pro-rated after June. At least 50% of first year dues must be paid with application.

General Contractors

A General Contractor is defined as any individual or business entity that contracts to perform construction work in its entirety and which executes such work in whole or in part with its own construction forces. General Contractor member firms' annual dues are based on the company's gross volume for the previous year.

Gross Volume	Total
<input type="checkbox"/> Under \$2 million	\$2,500.00
<input type="checkbox"/> \$2 to 4.99 million	\$5,000.00
<input checked="" type="checkbox"/> \$5 to 9.99 million	\$7,500.00
<input type="checkbox"/> \$10 to 14.99 million	\$10,500.00
<input type="checkbox"/> \$15 to 29.99 million	\$13,750.00
<input type="checkbox"/> \$30 to 44.99 million	\$16,275.00
<input type="checkbox"/> Over \$45 million	\$18,550.00

Construction Employers (Subcontractors or Specialty Contractors)

C.E. member firms are defined as construction firms performing less than 25% of their total company volume as a prime bidder or general contractor and who employ on-site labor. Construction Employer member firms' annual dues are based on the company's gross volume for the previous year.

Gross Volume	Total
<input type="checkbox"/> Under \$1 million	\$1,500.00
<input type="checkbox"/> \$1.0 to 2.499 million	\$2,250.00
<input type="checkbox"/> \$2.5 to 4.99 million	\$3,200.00
<input type="checkbox"/> \$5.0 to 9.99 million	\$4,250.00
<input type="checkbox"/> \$10 to 20 million	\$5,500.00
<input type="checkbox"/> Over \$20 million	\$7,250.00

Associates

Associate member firms are those individual or businesses who are not general contractors or construction employers and who do not employ on-site labor. Associate member firms pay annual dues at the rate of **\$1,000.00**.

Visiting Contractors

Visiting Contractor firms are defined as contractors from out of the area who have won or are bidding on work within our chapter's territory. This membership is limited to a 3-year contract. First year's dues are **\$1,500.00**, second year is **\$1,750.00** and the final year is **\$2,000.00**. If your scope of work exceeds 3 years, then your firm can join the Inland Northwest AGC.

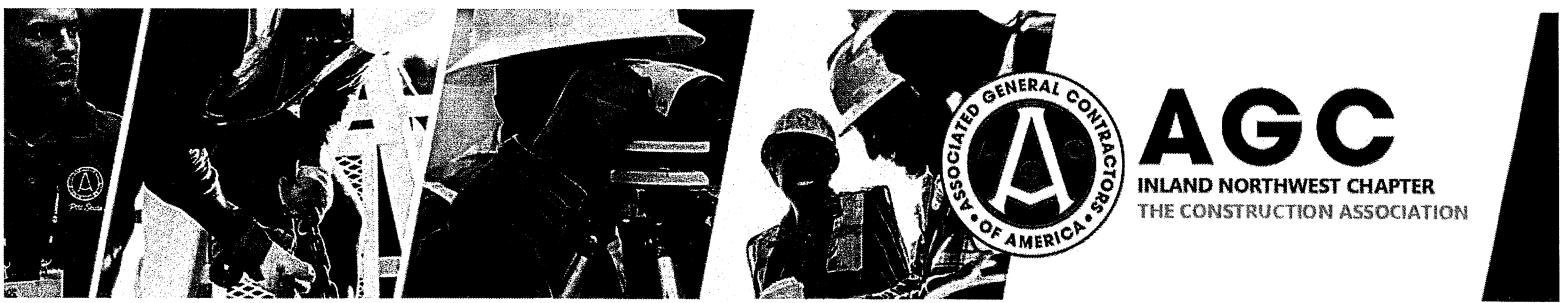

Small Business Introductory Rate

The AGC is pleased to offer a Small Business Introductory Rate of **\$450.00** for new DBE firms. This is designed for those smaller companies that have not been a part of the AGC in the past but would benefit by having access to our resources for training, safety and networking.

To qualify for the Introductory Rate, all the following must apply:

- The company must be certified through the Office of Minority & Women-Owned Business Enterprises or have submitted an application for approval.
- The company is not, nor has been during the previous three years, a member of any AGC Chapter.
